## Arrival / Departure

### Participant Information

- Swimmers will need to enter the pool door on the south side of the building.
  - Check in on an attendance sheet.
  - We will take temperatures at the door. Temperature will need to be below 100.4
  - Swimmers will be asked to maintain distance or wear a mask when its not possible. (Not in the water)
  - Hang swim bag on the hooks hanging on the wall or on the floor underneath
  - Due to Social Distancing-During this time we ask that there are **NO SPECTATORS on deck** during practice. This will allow us to have the maximum amount of participants that our space allows. We will always have two coaches/lifeguards present at practice. Safety is our priority.
  - Swimmers will need to arrive/leave in suit to avoid locker room congestion.
- ⇒ **If arriving directly from school swimmers may go in 4 at a time and quickly change.**
- At this time we are **UNABLE** to pass out any loaner goggles. So don't forget yours at home!
  - We also **DO NOT** have any towel service available at this time.
  - If your child is sick please keep them at home. Self Monitor for symptoms before every practice.  
Symptoms Include: cough, fever, shortness of breath, chills, no taste/smell, sore throat  
The participant must be symptom free for at least 72 hours prior to returning. Covid Exclusion policy will be detailed in parent email that will be sent out.

Pickup/Drop - the YMCA will not be responsible for children left unattended prior to the actual start time of the program. The YMCA will also not be responsible for children left after the stop time of the program.

## Dolphin Levels

### Blue

In this level, swimmers are just discovering the world of competitive swimming. The primary focus of this group is on increasing the efficiency/endurance of freestyle and backstroke, teaching the fundamentals of breaststroke and butterfly, race starts, turns and having fun. Swimmers will begin to learn how to read a pace clock, along with swimming and set language.

**Level Prerequisites: 25 yd. continuous freestyle w/ rotary breathing and 25 yd. continuous backstroke**

Previous Blue group member

Ages 5-9 years old of Coach's/Swim Instructor recommendation

Introduction to Breaststroke and Butterfly

- Practice Sessions: M, T, W, TH, F, 45 - 60 minutes
- We recommend 2-3 practices/week and 3 meets throughout the season.  
YMCA and USA swim meets are highly recommended. Must swim 3 Y meets to qualify for Y State

### Silver

The focus for swimmers in this group, will be stroke development and refinement of all four competitive strokes, starts, turns, and having fun. Dryland training will be introduced emphasizing core strength and athletic movements. Flip turns will be implemented for all freestyle and backstroke swims, as well as legal turns for butterfly, breaststroke, Individual Medley transitions, underwater dolphin kick, and underwater pullouts for breaststroke. Reading the pace clock, longer aerobic swimming sets, kick sets, race preparation, and goal setting are all part of this group.

**Level Prerequisites: We ask swimmers have achieved 2 of the 4 possible pre-requisites.**

Able to swim Butterfly, Backstroke, Breaststroke, and Freestyle legally.

Ages 10 - 13 years old or Coach's recommendation

Able to swim 50 Freestyle in 42.00 or under

"B" Qualifying time in 50 free or "B" Qualifying time in any event

- Practice Sessions: M-F, 90 minutes
- We recommend 3 practices/week and 3-6 Y and/or USA meets throughout the season.  
You must swim 3 Y meets to qualify for Y State meet

### Yellow

In this level, swimmer's primary focus will be on continued refinement of stroke mechanics, improvement of starts and turns and an increase in aerobic, anaerobic, interval training, and being part of a fun team environment. Race pace training will be incorporated along with increased dryland training.

Long and Short term goal setting, using the pace clock, pushing oneself to their highest effort, positive attitude, leadership, and having fun are all important components to this group.

**Level Prerequisites: We ask swimmers have achieved 2 of the 4 possible pre-requisites.**

11 years old on or before December 1 during the current year

Able to swim 50 Freestyle in 35.00 or under

11/12 "B" time 200 IM, 100 Free, and/or 100 stroke

Coach's recommendation

- Practice Sessions: M-F 1/12 hours
- We recommend a minimum of 4 practices/week and 3-6 Y &/or USA swim meets.

## What to Bring to Practice

Swimmers should bring a training suit, goggles, a cap, towel, and water bottle to practice. We will NOT be able to share or loan out goggles this season. We also DO NOT have towel service available.

## Locker Rooms

Due to such a small space and the need for social distancing. We highly encourage you to NOT use this space unless you absolutely have to. We will only allow 4 to go in at a time. We encourage you to wear a mask in the locker room while changing.

**Please do not leave your bags and personal belongings unattended in the locker room on the floor!** We have hangers located on the pool wall to hang bags.

## Philosophy

### Why should you join the Pod?

- Health, fun, family, and friends, Dolphin swimming brings it all together.
- Only Dual chartered through Y of the USA and USA Swimming in the Capital City
- Opportunity for improvement, meets and success at all levels of ability
- Professional staff, focusing not only on speed, but also healthy swimming techniques.
- We “Flip” for multisport athletes– We encourage you to be well rounded and offer flexibility in our program

The Y Dolphin Swim Club is a competitive age group swim team that offers opportunities for many age and ability levels. The team offers year-round training with both local and travel competitions. We strive to enable swimmers to grow as individuals, achieve their goals as swimmers and expand their overall potential in a nurturing, safe, yet demanding environment. We (coaches/parents/officials) dedicate ourselves to a holistic approach for athletic achievement through teamwork, spirit, and unity among all team members to deliver a positive athlete experience.

## Behavior

Swimmers are expected to leave the YMCA and host facilities cleaner than they found them. That means picking up and putting away all equipment you use during practice.

Swimmers at all levels will be expected to value sportsmanship and respect for teammates, coaches and opponents. They will be encouraged to work together to help foster a positive training environment that is as enjoyable as it is productive.

1. Swimmers are expected to listen to coaches during practice. Not only does this demonstrate respect, it also allows for the best opportunity for everyone to learn and develop.
2. Coaches do have the authority to ask a swimmer to leave practice if the swimmer is disrupting practice.
3. If disruptive behavior becomes a chronic problem, the swimmer and parents might be asked to meet with the coaches and/or Program Director to discuss possible solutions.
4. If behavior is severe enough, or not reconciled, the YMCA does reserve the right to ask a swimmer to leave the program.

## Nebraska YMCA Swim League

YMCAs have been at the forefront of competitive swimming since the beginning of the sport. YMCAs built the country's first indoor swimming facility, developed the first instructional swimming lesson program, and currently host the country's largest swim meet (YMCA Nationals) in Fort Lauderdale, FL. YMCA Competitive Swimming and Diving is unique in that, like other YMCA sports programs, it emphasizes the overall development of the athlete. It promotes mental and spiritual growth as well as physical achievement. The Lincoln YMCA Dolphins participates in the Nebraska YMCA Swim League. This also allows additional regional qualifying meet opportunities.

**. \*Meets will be announced when we have more information from our League.**

**We may have virtual or dual meeting depending on risk dial and space availability.**

## USA/Midwestern Swimming

We are the only club in Lincoln with dual charter status, but 5 other Y's throughout Nebraska enjoy the benefits of participating in both Y and USA swimming. USA Swimming is a great opportunity to gain further experience and opportunities as swimmers compete in additional meets. Our team competes in Midwestern Swimming, one of the 59 LSCs of USA Swimming.

**\*Meets will be announced when we have more information from our LSC.**

**We may have virtual or dual meeting depending on risk dial and space availability.**

## Meet Line-Ups & Entry Procedure

To help each swimmer develop overall skill and help achieve our team goal of IM STRONG, swimmers will be encouraged to swim different strokes and distances throughout the season. Coaches discourage specializing in any one stroke and/or distance for a variety of reasons.

1. It gives the coaches an opportunity to evaluate the swimmer in all events, thus helping to determine the team's best line-up for the championship meet at the end of the season.
2. It assists the coaches in evaluating what strokes a swimmer may need additional work with.
3. It challenges the developing swimmer to experience events he/she might not otherwise would have chosen, and therefore results in a well rounded swimmer.

**We will be updating our process for signing up for meets.**

**We will send out further information when we update meet dates and information**

- ◇ Participation in swim meets is not required but it is the best way for swimmers & coaches to gauge swimmer's progress & development. It is also where they have the most fun.
- ◇ Meet information will be via email, Facebook, Dolphin bulletin board, & [Midwestern Swimming](#) .
- ◇ Please take note of all swim meet deadlines on the Dolphin season calendar. USA meets have early deadlines that can not be missed. Unfortunately we can not get refunds if you are unable to attend the meet at last minute for USA meets.
- ◇ Respond to the Facebook swimming events for all swim meets.

## Parent Involvement

Parents are a vital part of our team. This year we will be adding a parents group.

We will also be holding parent meetings via Zoom to help us deliver information and stay connected throughout the season. We will update Face Book with Dates.

**At this time we do not plan on Husker Home Game Concessions, however we will remain adaptable to possibilities that present themselves this season.**

Normally -

We welcome you to get involved with the program in several ways. We always need parents to help with various responsibilities at our home meets. We ask that each family provides a volunteer (or two) multiple times throughout the season. We are sure that every parent can find a job that he/she enjoys doing. Our biggest fundraiser is working the UNL Husker Home Game Concessions. Dates for the UNL Concessions are listed under the Activity & Fundraising section of the handbook. It's a great to get to know other parents.

Our team requirement is that a volunteer works one UNL game for each swimmer that is on the team.

**We ask that everyone remains patient and flexible this season. We are thrilled to be able to hold some form of a swim team this season. Please do not hesitate to reach out to Tabettha with and questions.**
