Everything from the \$500 level, PLUS

- Your company/organization's name on a YMCA membership facility banner at the location of your sponsorship**.

How your sponsorship of our events builds Strong Kids:

All donations will benefit the YMCA Annual Campaign-Strong Kids, which provides reduced rates on life-changing YMCA programs to youth and families in need throughout our community. When you think of your YMCA, you'll know it's more than a gym—it's a cause rooted in community. With your generous support, we'll continue to build up the areas we serve—reaching out to help our neighbors in need.

To become a sponsor, please contact any Lincoln Y location or the Administrative Office at 402-434-9200 or info@ymcalincoln.org.

*Please provide a black-white vector .eps file of your company/organization's logo to Jess Rustad, Executive Marketing Director, at jrustad@ymcalincoln.org. The YMCA of Lincoln reserves the right to use your company/organization's name in place of the logo.

**Facility banners are for a one-year timeframe, unless donation gift is renewed for another year.
